

Tuesday, October 18 PUBLIC POLICY

presents ...

DOES YOUR 'YES' MEAN 'NO'?

Are you prepared to make an informed choice about whether to:

- Repeal the death penalty?
- Make it easier to execute someone by setting time limits on appeals?
- Legalize recreational marijuana?
- Impose a tax surcharge on the wealthy?
- Place limits on prescription drug costs?
- Impose background checks for people wanting to buy ammunition?

These are just a few of the glut of propositions that will be confronting us on Election Day. If you strive to be an informed voter, join us on October 18th as representatives from the League of Women Voters present the *Pros and Cons of the Propositions* on this year's ballot. They will provide materials with more specific information about each issue so you can make an informed choice at the polls.

You will be participating in lively small group discussions that will help clarify (or change!) your opinion.

This meeting is open to the public.
Invite your friends and neighbors!

... From LAURA'S DESK

Greetings!

Well, our year has gotten off to a great start! We had a wonderful meeting at our new site – the Orinda Community Church Fellowship Hall. I think we may have had a record crowd for our September meeting. Jill West's presentation was very informative and educational and I, for one, started to relook at my food choices.

The Showcase of our branch priorities and interest groups demonstrated the many opportunities AAUW-OML provides for our members to be involved – there is something for everyone. Best of all, at last report six new members signed up to become part of our community of vibrant and interesting women, coming together to make a difference for all women and girls. Thank you to all those who helped pull the program together. I do want to give a special hat off to **Mary Leigh Miller, Denise Burien and Judy Helder** for their labor of love in planning and helping create the atmosphere that make this meeting wonderful. A thank you to **Robin Spenser Holmes** for being there behind the scenes to help get the coffee and drinks ready. Her knowledge of the kitchen made everything go very smoothly. I am sure there are many more individuals who also deserve kudos. Reflecting back on the morning I was pleased to see in action how we as members are working together and truly embracing the mission, vision and values statements as set forth in our branch directory.

Many members had favorable comments about the accommodations. The audio-visuals provided were great and everyone could hear what was being said. The parking, however, was a primary concern. Unfortunately, the bus from the senior housing facility next door blocked access to another parking lot above. In the future we will make sure this lot is open and we ask that those who are more able-bodied to please use this parking area.

Embracing this sense of community continued when we held our first AAUW-OML "Coffee On Us" this past Saturday. It was fun to start getting to know new and old members while enjoying a cup of Java on us. I look forward to more of these casual member socials for coffee or cocktails.

Remember, October is the League of Women Voters discussion of the propositions on the November Ballot. *See you there!*

FOCUS ON ... PUBLIC POLICY**IT'S MY VOTE • I WILL BE HEARD!****When Women Vote, We Change the Conversation!**

In addition to electing a new President of the United States, we are electing Senators and Members of Congress to represent us. With so much at stake, it's more important than ever to identify those candidates who would best represent our values and those who would roll back our rights.

How can you evaluate candidates? Look for their positions on issues relevant to AAUW's mission of promoting equity for all women and girls. For incumbents, review how they have voted. For all candidates, seek answers to these questions related to key issues in AAUW Public Policy Priorities:

- **Gender Pay Gap** – How would you address the pay gap between men and women? For women of color and mothers? What is your position on the passage of the Paycheck Fairness Act to close legal loopholes and improve the effectiveness of existing civil rights laws aimed at closing the pay gap?
- **Family Leave and Paid Sick Days** – What is your position on legislation that would provide paid parental and medical leave for all employees?
- **Campus Sexual Violence** – Do you support increasing resources to promote prevention efforts and stronger enforcement of federal laws prohibiting bullying, harassment and campus sexual assault? What should colleges and universities do to better address the issue of campus sexual assault?
- **Reproductive Rights** – Do you support public funding for family planning services and reproductive health care? What is your position on legislation that protects individuals' access to affordable quality reproductive health care, including abortion care?
- **College Affordability** – What can be done to help make college more affordable and loan payments more manageable?

AAUW national has just published the *Congressional Voting Record*, which is available from the national office. Order one to see how your incumbent Member of Congress voted on issues of concern to women during the last congressional session.

Ask the questions! Get the answers!
Women's votes will be especially important in this election!

Please exercise your right to VOTE!
Cast your ballot on NOVEMBER 8!

AAUW CA Takes Position on Ballot Initiatives

The November ballot in California will contain 17 ballot measures. The AAUW CA Public Policy Committee reviewed and evaluated those related to AAUW's priorities and mission and took a position on five:

- **Proposition 51, support:** School Bonds. Funding for K-12 and Community College Facilities
- **Proposition 52, support:** The Medi-Cal Funding and Accountability Act. Hospital fees that help fund Medi-Cal
- **Proposition 53, oppose:** Voter approval on specified bonds
- **Proposition 55, support:** Extend taxes for schools voted in Proposition 30
- **Proposition 58, support:** The California Multilingual Education Act. Allows structured bilingual education programs for English learners

**AAUW FUNDS ~ MAKE YOUR DONATIONS ONLINE**

Members of the Orinda-Moraga-Lafayette AAUW Branch have made generous donations to the AAUW Fund for many years. Donations can be made online, through retirement accounts or through the branch AAUW Fund Treasurer. In rare cases when a donation is made by a member without branch designation, the national office will look up the member's primary branch and credit the member and the branch. If a member belongs to multiple branches, the member and branch must be specified for credit to be applied.

If you have any questions regarding contributions to the AAUW Fund, please contact **Marie Bonilla** or **Jenny Offringa** for further information. *We appreciate all contributions made by members to the AAUW Fund.*

**OML PROPOSED
BUDGET FOR FISCAL
YEAR 2016-2017**

As is required by our by-laws, a proposed budget for the OML Branch Operating Corporation for fiscal year 2016-2017 was drafted by the Budget Committee and presented to the Board on August 9, 2016.

This is the first year that the Board has also reviewed the draft income and expenditure plans for the component committees that do good work as part of our 501(c)(3) {non-profit, tax-exempt} Community Outreach Corporation. The budget for the Operating Corporation was further discussed, modified, and approved at the September 25th Board meeting, as was the plan for income and expenditure estimates for the 501(c)(3) corporation.

Those two spreadsheets are printed in the Triad and included on our website for the consideration and approval of the General membership at our next regular meeting on October 18th.

The proposed budget for our Operating corporation shows a deficit. If that deficit results, it can be paid from accumulated funds in the operating account that now total more than \$28,000.

If you have questions about the budget or plan, please contact the **VP Finance Gail Chesler** or another board member.

TECH TREK

Tech Trek Reunion and Reception Was a Hit!

We had a wonderful time at the reception for the Tech Trek girls and their parents on Friday, September 9! Our three members who were dorm moms (**Christine Walwyn, Gail Chesler** and **Jan Cushman**) were there to welcome the girls. Thanks to those of you who could join us, and thanks to all of you for supporting this meaningful program!

The girls shared their experiences with us – so interesting to hear the variety of experiences that the girls thought were the best. Favorites ranged from seeing Saturn at the star party to building and programming robots to hearing about a variety of careers on professional women’s night to using Newton’s law of motion to pull a tablecloth out from under dishes. And many more!

The girls and the parents gave many thanks for this special experience for their girls. I heard the words “life-changing experience” from more than one parent. Everyone was having such a good time chatting that we finally had to kick them out at 8:45!

The 2016 Tech Trekkers

Special thanks to Christine Walwyn for arranging for us to use the wonderful Miramonte Gardens Clubhouse, to **Sara Lautenbach** for bringing cookies and more, to Stacia Cragholm for bringing delicious See’s chocolates, to Lana Reichick for preparing name tags and to Sandy Fox-Sohner for bringing lemonade and taking pictures.

EYH/STEM CONFERENCE

MARCH, 2017
Saint Mary’s College

Dr. Kristen Beck, Saint Mary’s College Math Professor and STEM committee member, provided an hour of Google Drive Training for **Jan Cushman, Stacia Cragholm, Gail Chesler, Christine Walwyn** and **Sara Lautenbach**. We found it very helpful. Everyone had different needs, and we agreed an additional tutorial would be welcomed. So, we are planning another hour session in a month. If you are interested, please contact Stacia by email. Several board members have already signed up. We will announce the training at our October 18 general meeting.

We are pleased to announce that Chevron has committed to being our sponsor. The Lamorinda Sunrise Rotary Club has again donated \$1,000.00, thanks to **Peggy Cabaniss** and **Chris Laszcz-Davis**, who are Rotary members and serve as liaisons to AAUW.

Next month, look for information about the interactive, hands-on workshops that our participants will get to choose from.

NEEDED! A Hospitality Coordinator

One of the reasons we all love to attend the General Meetings each month is the opportunity to connect with our OML friends over a cup of coffee and some delicious treats. This benefit doesn’t happen by itself.

Duties of the Hospitality Coordinator: Work with Program VPs to provide hospitality services (refreshments, decorations, greetings) for monthly meetings by referring to a list of members who have volunteered to bring refreshments. The coordinator needs to contact these folks to find a few people to do this each month. There is a Hospitality Committee currently in place that is available to arrive early for setup and staff the refreshment tables, and to greet members. Anyone willing to take on coordinating everything will have lots of help and support.

Please contact: Pat Beckner, Co-VP for Programs

MEMBERSHIP NEWS

We had a successful start to the new AAUW year at the September 20 Showcase with six new members signing up, one of whom is a dual member with Alamo/Danville. More about the new members in next month's Triad.

We also had a nice turn-out for the "Coffee on Us" on September 24 at the Coffee Shop in Lafayette. We had 12 members, new and old, and everyone agreed it was a good way to meet people in a smaller setting. We are planning on alternating each month between cocktails and coffees. So October will be "Cocktails & Conversation" on Thursday, October 27 at Shelby's in Theater Square, Orinda, from 5 to 7. The next "Coffee On Us" will be Friday morning, November 11 at 9:30 at the Starbucks in the Rheem Shopping Center. Please plan to join us!

This year we are celebrating the 60th anniversary of the Orinda/Moraga/Lafayette branch of AAUW. At the September 20 meeting we also recognized those members who have belonged to AAUW for 50 years. Some have belonged to our chapter since its founding 60 years ago. Our 50 year honorary life members are: **Joan Armstrong, Martha Billman, Barbara Boyle, Bobbie Dodson-Nielson, Joanne Elkington-Walker, Florence Garay, June Howe, Elizabeth Kingsley, Marilyn Lonbaken, Janet Mendenhall, Margaret Peters, Carolyn Stokes and Nellie Strong.** Fifty year certificates were awarded at the meeting to **Joanne Elkington-Walker, Janet Mendenhall and Florence Garay** who all obtained 50 year status this summer. Congratulations to all of them! Think you have been a member of AAUW for 50 years? Please let one of the membership chairs know and we will help you apply. National only has computerized records of membership from 1985 forward, so 50 year status is not automatically determined.

The new membership directories should be available at the October meeting and will be mailed if you are unable to attend. This year, for the first time, we have printed membership cards for each member, which will be attached to the front of the directory. This card has your membership number on it, which is needed if you want to access the membership page of the National AAUW records and if you want to pay your dues online.

Speaking of dues, October 1 is the deadline for paying your dues if you want to be included in the directory for this year. Don't let yourself be deleted! If you have lost the dues form, you can download one from our website at oml-ca.aauw.net or call membership co-chair Mary Levey. Please think of the contribution your dues make in our community and continue your membership.

SEPTEMBER SHOWCASE MEETING

President Laura Wittenberg opened the September 2016 Showcase meeting with an announcement of AAUW-OML Branch's 60th Anniversary year. We were thrilled to recognize one of our founding members, **Bobbie Dodson-Nielson**, who was present at the meeting. Our President gave AAUW 50-year member certificates to three members – **Joanne Elkington-Walker, Janet Mendenhall** and **Florence Garay**. They join 10 other branch members who are also 50-year AAUW members.

Guest speaker for the meeting was member Jill West, RDN whose presentation was titled "6 Best Foods for Women over 60," but the information provided applies to everyone. Jill is a great speaker and motivated all of us to eat a healthier diet. I think everyone at the meeting planned to stop by the grocery store on the way home to buy beans, dairy, salmon, nuts, dark leafy green vegetables, and berries.

Selling Tech Trek: Sandy Fox-Sohner (l) and Jan Cushman

Showcase is the annual opportunity to hear more about what our members are doing to promote AAUW and Branch priorities to advance women and girls through advocacy (public policy and Work Smart); education (Tech Trek, EYH-STEM Conference, Scholarship, and Burckhalter School); and philanthropy and research (AAUW Funds). The Chair of each group spoke about their activities and encouraged more members to contact them to get involved.

We also like to spend time with other members to get exercise, get educated, and also just have fun. So the leaders of our various interest groups spoke briefly about their activities. If you want to go bike riding, play golf, play bridge, go to the movies, go to museums, participate in Great Decisions to discuss current events – we have a group for you! We even have two book groups if you like to read and if you enjoy writing, consider becoming part of our memoirs and musings get togethers. Our branch has an interest group for you.

You can find out more on our website about how to contact the chairs of our branch priority or interest groups so you can get involved in the life of the branch.

Coming to our November General Meeting: **MARKETPLACE**

This is a great opportunity for creative OML members to display and sell their work. Please contact Mary Leigh Miller at mlmiller602@gmail.com if you are interested in signing up to participate in this event. The branch takes no commission for sales.

LUNCH in the VINEYARD

On a perfect Saturday the lucky winner of our Lunch in the Vineyard raffle, **Diane Bell-Rettger**, brought five of her companions for a six course meal at **Mary Leigh Miller's** beautiful Moraga home.

The event started with appetizers and local wine tasting amongst the vines in her vineyard. It was enriched by an interesting presentation by

Moraga winegrower Susan Captain of Captain Vineyards. The luncheon continued poolside with a sumptuous main course and decadent desert.

The Scholarship committee members cooked and served their delicious specialties. Watch out for the new inspired menu and raffle tickets for the next year's event. *Thank you to all members who support our efforts to honor local young women graduates!*
