

ARE YOU READY?

- What's in your Go-Bag?
 - meds, important papers, water ...
- What is your family's evacuation plan?
 - Do you know your escape routes?
- How will you recharge your phone?
- Is your gas tank at least half full at all times?
- Do you know how to get updated disaster information?
- What should you do with your pets?
- Can you harden your home to improve fire readiness?
- Want to improve your emergency preparedness in 30 minutes?

Get answers to all these questions ... *and more.*
